---

We wish for the unending development of your university.

Our company (C&R Research Inc.) and GCCL Co.,Ltd. hope to visit Chiang Mai University (CMU) on 21<sup>st</sup> November 2023 with the purposes as below.

- To Strengthen cooperation between C&R Research & GCCL & Chiang Mai University
- Asking for the meeting with the President of Chiang Mai University (Suggesting meeting time shall be 09:30 ~ 10:30.)
- Asking for the meeting with the Dean and administrative team, including hospital administrative team (Suggesting meeting time shall be 11:00 ~ 12:00.)
- Asking for joining the establishing ceremony of Chiang Mai C&R Regional Office and the tour of MedCMU (Faculty of Medicine), including Center of Multidisciplinary Technology for Advanced Medicine (CMUTEAM), and Central Laboratory (Suggesting meeting time shall be 14:00 ~ 16:00.)  
\*Regarding launching C&R Chiang Mai Office, C&R Research will donate 140,000 THB for CM-CRC (Clinical Research Center).
- Asking the tour of CM-CRC (Clinical Research Center) for the C&R mentees (Suggesting meeting time shall be 16:00 ~ 17:00.)

\*Total number of visitors from C&R Research & GCCL & Seoul National University Hospital will be 26 people. (C&R Research = 7 people / GCCL = 4 people / C&R Mentees = 13 people / SNUH = 2 people)

If you have any further questions about our visit, please let us know.

We look forward to working with you to make this Collaborative successful.

Sincerely,  
Moon Tae Yoon, President
